AGREEMENT

This Agreement is made and entered into effective the first day of July, 2018, by and between the Town of Middletown (hereinafter the "Town"), a municipal corporation, located in the State of Rhode Island, and the Middletown Fraternal Order of Police, Lodge #21 (hereinafter "FOP" or "Union"), a non-business corporation, with its principal place of business located in Middletown, Rhode Island.

WITNESSETH:

ARTICLE I. RECOGNITION OF UNION

Section 1. RECOGNITION

The Town recognizes the FOP as the sole and exclusive bargaining agent for all uniformed members of the Town of Middletown, Rhode Island Police Department, excluding the Deputy Chief of Police and the Chief of Police for the purposes of collective bargaining as to wages, rates of pay, hours, working conditions and all other terms and conditions of employment.

Police officers absent from service to the Town due to active military service or otherwise shall not be covered by this agreement except to the extent required by law or as expressly otherwise provided in other sections of this agreement.

Whenever used in this Agreement, the term "police officer" shall mean a full-time police officer of the Town of Middletown's Police Department, from the rank of Patrol Officer up to and including the rank of Lieutenant. Whenever used in this Agreement, the term "Non-permanent officer unit" ("NPOU") shall mean an individual who has been appointed as such by the Town and who is not a full-time police officer. A NPOU is not covered by the terms of this Agreement.

The rights of the Town and members of the FOP shall be respected and the provisions of this Agreement shall be observed for the orderly settlement of all questions.

The Town shall not discharge or discriminate in any manner whatsoever against any police officer because of membership in or the engagement of activities in connection with the FOP.

Section 2. UNION DUES DEDUCTION

The Town shall deduct FOP dues and/or assessments upon receipt of authorization of FOP members who sign lawful deduction form cards to be supplied by the FOP. The FOP President shall provide the Town thirty (30) days' notice, in writing, each time there is a change in the amount of monies to be deducted for dues and/or assessments. The Town shall forward the sum so deducted to the FOP on a quarterly basis.

The FOP hereby agrees to hold the Town harmless from any claims, demands and the cost of litigation, including but not limited to its costs of defense, attorney's fees or any damages award, for any action arising under this section.

Section 3. TIME OFF FOR BARGAINING

Members of the FOP's Collective Bargaining Negotiating Committee, to a maximum of three (3), shall be allowed time off with pay for attendance at official FOP negotiations and/or conferences with the Town, without the requirement to make up such time. However, nothing herein shall be construed as limiting said Collective Bargaining Negotiating Committee to three (3) members.

Section 4. TIME OFF FOR FOP BUSINESS

Any police officer shall be allowed to attend Middletown Lodge #21's monthly meetings, even if such monthly meeting occurs at a time when such police officer is on duty, provided that a minimum of two (2) cruisers shall remain on active patrol and the dispatch position filled.

Middletown Lodge #21 may have a trustee to represent the interests of the local FOP unit at the state level. If the trustee is on duty at the time of the state FOP meeting, then the trustee shall be allowed to attend the monthly meeting after obtaining the approval of the patrol commander and provided that such attendance shall not adversely impact public health, safety or welfare. In the event that the trustee attends the state level meeting, the Town shall not be required to fill the trustee's position.

Attendance at the local or state meetings shall be without loss of pay and without the requirement to make up said time.

Official FOP delegates shall, with prior approval of the Chief, be allowed reasonable time off, not to exceed forty (40) hours per delegate per fiscal year, without loss of pay or the requirement to make up such time, to attend national and state FOP conventions. Requests for such leave shall be submitted in writing to the Chief at least two (2) weeks in advance of such attendance.

ARTICLE II. MANAGEMENT RIGHTS

The Chief of Police shall have the right to regulate, manage and control the Police Department, except as may be modified by the terms of this Agreement and by the provisions of the Municipal Police Arbitration Act, R.I. Gen. Laws § 28-9.2-1, et seq., as amended. In accordance with Section 701 of the Town's Home Rule Charter, the Town retains the right to issue rules and regulations concerning the conduct of police officers and the Police Department. The Town shall, at all times, retain the right to manage and direct the operations of the Police Department, including, and without limiting the generality of the foregoing, the right to make such assignments and transfers of personnel as may be deemed by the Town in the best interests of the administration of the Police Department and the safety and protection of the citizens of the Town. Nothing in this Section shall contravene or derogate from any of the provisions of this Agreement or the provisions of the Municipal Police Arbitration Act.

ARTICLE III. LAW ENFORCEMENT OFFICERS' BILL OF RIGHTS

Nothing in this Agreement is intended to deprive any bargaining unit member of the rights established by the Rhode Island Law Enforcement Officers' Bill of Rights, R.I. Gen. Laws § 42-28.6-1, et seq., as amended.

ARTICLE IV. TRANSFERS, ASSIGNMENTS, REASSIGNMENTS

Section 1. TRANSFERS AND ASSIGNMENTS

Transfers to and from the Detective Division shall be made at the discretion of the Chief. Police officers must have served a minimum of three (3) years as a patrol officer to be eligible for a transfer to the Detective Division.

Assignment to and from administrative positions and special assignments shall be made by the Chief. These positions and assignments include but are not limited to, hostage rescue team (HRT), public relations, meetings, seminars, schools, boat, background investigations, agility testing, drug awareness resistance education (DARE), Community Policing Unit (including K-9), honor guard, undercover (patrol), homicide (patrol), disciplinary hearings, training, court officer, range, and records. Section 2. REASSIGNMENTS

No other police officer shall be reassigned from one division to another unless such police officer receives at least twenty-four (24) hours' notice. Should such reassignment be made without such notice, the officer so assigned shall receive compensation for the reassigned tour at time and one-half his regular pay. Nothing herein prohibits a police officer from waiving the twenty-four (24) hours' notice provision.

ARTICLE V. SENIORITY

DEFINITIONS:

Department Seniority shall commence on the date of appointment by General Order, as a police officer and shall be computed according to continuous service from the date of original appointment by the Town.

Rank Seniority shall commence on the date the officer is sworn into a particular rank, and computed according to continuous service within that rank.

If Department and/or Rank Seniority is interrupted for active service in the Armed Forces of the United States, such service shall be considered as part of said member's continuous service, provided that such service shall not be considered as continuous service if such member re-enlists or continues his military service after the time of his original service period.

In those cases where one or more members are appointed to duty on the same day by the Town Administrator or by the same General Order by the Police Chief, then seniority among said officers shall be determined by Rhode Island Municipal Police Training Academy (RIMPTA) class ranking. In those cases where one or more members are promoted on the same day, the Chief of Police shall determine the order each officer is sworn into their new rank.

Department seniority lists shall be posted by the Chief and shall be kept up-to-date.

ARTICLE VI. DUTIES

Section 1. DUTIES

The duties of police officers shall be the repression and prevention of crime, enforcement of Town ordinances and statutes of the State of Rhode Island, and such other and necessary administrative and service functions as may be prescribed by the Town in accordance with the provisions of the ordinances of the Town, the Town Charter, and/or the statutes of the State of Rhode Island.

Police officers may be detailed to other Town departments for the performance of police duties.

Section 3. PROHIBITED DUTIES

ARTICLE VII. WORK SCHEDULE

Section 1. UNIFORM OFFICER'S WORK SCHEDULE

The regular work schedule for all uniform members of the Department, except those assigned to administrative duties, shall be a fourteen (14) day cycle starting on Tuesday and consisting of two (2) consecutive working days of twelve (12) hours followed by two (2) consecutive days off, followed by three (3) consecutive days on; then two (2) consecutive days off, followed by two (2) consecutive days on followed by three (3) consecutive days off. All such regularly scheduled shift hours worked are part of the officer's regular pay and thus pensionable.

Section 2. DETECTIVE'S WORK SCHEDULE

The regular work schedule for police officers in the Detective Division shall consist of five (5) consecutive days for work followed by two (2) consecutive off.

The regular workday for such detectives shall comprise of four (4) tours of duty of eight and one-half (8 ½) hours and one (1) tour of duty of eight (8) hours, each with less one-half (1/2) hour for lunch.

Section 3. ADMINISTRATIVE POSITION'S WORK SCHEDULE

Police officers in administrative positions or special assignments (Article IV Sec.1) shall work either a uniform officer's work schedule or a detective's work schedule, at the discretion of the Chief.

Section 4. CHANGING WORK SCHEDULE

The hours of the tour of duty of police officers shall not be changed without sixteen (16) hours advanced notice. This provision shall not affect the right of the Police Department to "call back" an officer as provided elsewhere in this Agreement. In the event such notice is not given, the police officer shall not be excused from reporting for such duty but shall be construed as "call back".

Section 5. SHIFTS, SCHEDULES and HOURS OF WORK

The following shifts, schedules, and hours of work are effective:

Day (first) Shift	0700 to 1900
Night (second) Shift	1900 to 0700

Early Person - Each of the two (2) shifts above will have one (1) officer assigned to report for duty one (1) hour early to provide coverage during shift changes, *i.e.*, 0600 to 1800 and 1800 to 0600.

At the sole discretion of the Police Chief, in emergency situations only, an officer may be required to extend his/her shift. In such situations, extending up to fifteen (15) minutes beyond the end of the shift, will result in no additional compensation to the officer and will be considered part of the regular shift.

Section 6. SUBSTITUTIONS

A police officer shall have the right to substitute his tour of duty, provided however, that permission for such substitution shall have been first obtained from the Chief or from the officer in charge of the shift affected by the substitution. Should permission be obtained from the officer in charge, said officer shall notify the Chief. Permission for such substitution by either the Chief or officer in charge shall not be unreasonably withheld.

Section 7. SHIFT ASSIGNMENTS

Except for police officers assigned to the Uniform Division with less than one (1) year of service, shifts will be assigned by rank seniority as defined in Article V and be for one (1) year. Officers may bid, in writing, for the year's shift between May 1 and 15 and assignment will begin on the first Sunday in June. In the event of an opening prior to the yearly change, eligible officers may bid for the position and assume same, prior to the yearly change.

During bidding for shifts requiring changes of days off, the Town will not be required to pay overtime to complete shifts.

Subject to minimum staffing provisions in Article XXIII Sec. 3, the Chief will determine the number of officers on shifts in Section 5 above.

During the first year of service, not to include time spent at the Police Academy, an officer is considered to be on probation. During the first year of service, patrol officers shall be assigned to shifts at the discretion of the Chief and not by rank seniority. Upon the completion of one (1) year of service, not to include time spent at the Police Academy, said officers shall assume shifts on a rank seniority basis at the next available shift change, provided they have successfully completed all field training, as documented by Field Training Officers, and if their probationary period has not been extended.

Section 8. SHIFT CHANGES BY THE CHIEF

The Chief reserves the right to make transfers under the following conditions:

- a. Staffing shortages from resignations, suspensions, extended illness and light duty assignments, vacations in Administrative or Detective Divisions.
- b. Public safety demands such as emergencies, hurricanes, a disaster or labor dispute.

Section 9. TEMPORARY SHIFT CHANGE BY OFFICERS

If a police officer wishes to switch shifts, he or she must approach the most senior officer on the desired shift and make the offer to switch. If the offer is declined, he or she must proceed to the next senior officer and so on.

If an officer switches with an officer on another shift, he/she will become the junior officer on that shift for purposes of leave (i.e. lunches, vacation). It is not intended that in these situations a junior officer serve as a superior over a police officer with more rank seniority. This is only in the case of temporary, mutual changes and not in the case of yearly bidding.

Section 10. TEMPORARY TRANSFERS

The Chief without regard to rank seniority may make a temporary transfer of officers between divisions as long as the officer selected agrees to the transfer. In the event no officer agrees to the transfer, the officer with the least amount of department seniority on the shift where the temporary

transfer is to take place, shall be assigned, provided: (a) said officer does not have his shift changed once the temporary transfer takes effect; and (b) said officer, if assigned to work a 5-2 schedule shall have weekends and holidays off. In the event the Chief decides to assign the temporary transferred officer to a 5-2 schedule with days off other than Saturday or Sunday, then the officer shall receive out-of-rank pay from the first day he is assigned to said division.

Temporary transfers between shifts in the Uniform Division will be by rank seniority with the right of refusal.

ARTICLE VIII. OVERTIME

Section 1. OVERTIME

Any officer who works in excess of their normal work week shall be paid at the overtime rate of pay. Hours worked on non-Town details shall not be considered in determining the amount of hours worked for the purposes of this section.

Police officers called back to duty or assigned to work a detail for any Town department or assigned to work authorized overtime shall receive overtime rate of pay for a minimum of four (4) hours. All hours worked in excess of four (4) hours shall be paid at the overtime rate of pay to the nearest one-half (1/2) hour. In the event that call back, a Town detail or overtime assignment is less than two (2) hours, the officer may elect to be paid for a minimum of two (2) hours and be relieved of his duty assignment. If the officer chooses to be paid for the four (4) hour minimum, then he shall work the entire four (4) hours.

Section 2. OVERTIME PAY COMPUTATION

"Overtime rate of pay" shall be defined as the rate of pay computed by dividing the annual salary of the officer by 2,184 and multiplying that quotient by one and one-half (1 ½). The officer shall be paid in money and be compensated to the nearest one-half (1/2) hour.

Section 3. ASSIGNMENT OF OVERTIME

The parties acknowledge the following types of overtime and agree to the method of assignment with respect to each type:

- A. Holdover Overtime -When staffing falls below minimum levels, as detailed in Article XXIII Section 3, the Chief or his/her designee shall assign overtime in the following manner:
 - 1. Call available officers signed up in the department overtime book.
 - 2. Call available officers currently on duty.
 - 3. If none of the above options yields an officer, the junior officer on normal tour of duty will be ordered (held over) to work.

If an officer is held over for any reason, that same officer cannot be held over again for a 24- hour period, commencing on the completion of the holdover shift. During this 24- hour period when an officer cannot be held over, holdover overtime is to be assigned to

the most junior eligible officer on duty, and so on. After 24 hours, officers will again be subject to hold over.

No officer shall be required to work in excess of sixteen (16) hours in a twenty-four (24) hour period, unless it is authorized by the Chief or supervisor, and no officer will be allowed to work in excess of twenty-four (24) consecutive hours.

For the purposes of this section, "officers" refers to all bargaining unit members.

- B. Call Back Overtime refers to those situations where an officer has been discharged from his normal tour of duty and is ordered to report back to duty by an appropriate supervisor or authority. This overtime shall be assigned rank for rank on a rotating basis.

In a case where a sergeant is to be called back and no other sergeants are available, then a lieutenant shall be called back as the supervisor for that shift on a rotating basis.

If a lieutenant is to be called back and no other lieutenants are available, then a sergeant shall be called back as the supervisor for that shift on a rotating basis.

The parties agree to reset the callback overtime rotational list for patrol officers every fiscal year at midnight on July 1st.

- C. Overtime Caused by Town Details refers to situations where officers are assigned to Town activities, including but not limited to beach patrol, voting polls, school activities, highway safety grants and traffic details. The Chief or his designee shall assign this overtime on a rotating basis.
- D. Overtime Caused by Specific Assignments refers to those situations where officers are assigned to an activity listed in Article IV Section 1 Transfers and Assignments. This overtime shall be assigned to those individuals assigned to the particular position in question.

Section 4. COURT MATTERS

Officers engaged in off-duty court interviews and/or court attendance shall receive overtime pay for a minimum of four (4) hours, provided that they receive a written notice at least twelve (12) hours prior to such court interview and/or court attendance. In the event the court interview and/or court attendance is less than two (2) hours, the officer may elect to be paid for a minimum of two (2) hours and be relieved of his duty assignment. If the officer chooses to be paid for the four (4) hour minimum, then he shall work the entire four (4) hours.

In those situations where the twelve (12) hour written notice is not given, the officer shall receive overtime rate of pay for a minimum of eight (8) hours and shall work the entire eight (8) hours. However, if the officer chooses to work less than eight (8) hours, he/she shall only be compensated for the hours worked.

Section 5. IN-SERVICE TRAINING

Officers attending mandatory in-service training shall be compensated at the overtime rate of pay for a minimum of two (2) hours, except when the officer in attendance is on duty.

If an officer is permanently disabled from performing the duties of a police officer of the Middletown Police Department because of injuries received or sickness contracted in the performance of their duties, said officer shall be placed on a disability pension as described in Section 3. below.

Section 2. OTHER MEDICAL EXPENSES

Subject to approval by the Chief, the Town shall pay all expenses incurred by police officers and members of their families residing in the same household for physician's fees for inoculations and immunizations for all communicable diseases, provided such medical treatment is necessitated as a result of the exposure of such police officers to the diseases in the line of active duty.

Section 3. DISABILITY PENSION

1) Accidental Disability: Work-Related Illness/Injury for active participants in the Town Pension Plan administered by John Hancock

- A. When a police officer covered by this Agreement is deemed by a physician appointed by the Town to be totally and permanently disabled from performing the duties of a police officer of the Middletown Police Department by reason of injuries received or sickness contracted in the performance of their duties, and such disability is not the result of wanton misconduct on the part of the officer, such officer shall receive a disability pension benefit equal to 66 2/3% of his/her final salary (Final salary = average of highest 3 consecutive years wages, longevity, overtime, holiday pay, applicable severance pay). The Town shall direct the pension administrator to place such employee on a disability pension as of the first of the month following the employee's termination date. This disability pension payment is in the nature of a workers' compensation payment. The Town shall follow R.I.G.L. 45-19-1, as amended.
- B. In the event that an officer applies for a disability pension, such officer shall submit to a medical examination as set forth in section c. below. Such officer shall be considered to

be permanently disabled for purposes of this section if the Town's physician or third physician concludes that the officer is permanently physically or mentally disabled from performing the duties of a police officer, and such disability is not due to age or length of service, but was incurred in the line of duty. The Town shall direct the pension administrator to place such employee on a disability pension as of the first of the month following the employee's termination date.

- C. If at any time the Town wants to verify a disability, the Town shall have the right to have such employee examined by a physician of its selection, at the Town's expense. Notification to the employee in writing of such examination shall be the responsibility of the Town, and it shall be the responsibility of the employee to keep contact information current with the Town at all times. If the physician selected by the Town finds that the employee is no longer disabled from performing the duties of a police officer of the Middletown Police Department, the employee shall be entitled to be examined by his own personal physician. Upon receipt of written notice from the Town physician that the employee is no longer disabled, the Town will notify the officer or union of this finding in writing and upon receipt of this notice from the Town, the officer or union shall have ten (10) weekdays to notify the Town of his/her intent to seek an alternate physician's opinion. If the opinion of the employee's personal physician is in conflict with that of the Town's physician as to whether or not the employee is disabled from performing the duties of a police officer of the Middletown Police Department, then a third physician, mutually agreeable to the Town's physician and the employee's personal physician, shall be selected within ten (10) weekdays. The third physician shall examine said employee promptly, and the opinion of the third physician so selected shall be conclusive and binding on the Town and Employee. During this period of dispute, the employee shall continue on work-related injury status until the opinion of the third physician has been received.
- D. The accidental disability pension benefit shall continue for the period of disability.
- E. If an officer requests a return to duty after having been previously placed on work-related injury status under RIGL 45-19-1, or on a disability pension, the officer must formalize this request in writing to the Chief, and will then be required to pass all mental, physical and legal requirements for serving as an active police officer in the Town of Middletown. Once the officer has demonstrated to the Chief's satisfaction that he/she meets all of these eligibility requirements, the officer must then submit to a physical examination in accordance with Section 3c above. If at this time it is determined by the physician that the officer is no longer permanently physically or mentally disabled from performing the duties of a police officer, then the officer shall be reinstated to active employment in the department.
- F. If a retiree fails to meet the requisite criteria for re-employment he/she shall be deemed to be continuously disabled and will continue to receive his/her disability pension.
- G. The foregoing shall not apply to employees in the State of Rhode Island Employees' Retirement System.

2) Ordinary Disability: Non-Work Related Illness/Injury for active participants in the Town Pension Plan administered by John Hancock

- A. An officer who has not reached his/her normal retirement date and has completed at least ten (10) years of service with the Middletown Police Department, and who has been deemed totally and permanently disabled from performing the duties of a police officer of the Middletown Police Department due to a non-work related illness or injury, and has satisfied the requirements of such disability under the Town pension plan, shall be entitled to an ordinary disability retirement on the first of the month following the officer's disability date. This benefit shall continue until the earlier of the following dates, either the officer's date of death, normal retirement date, or the first day of the month following notice to the pension administrator that the officer has recovered from the disability. The process outlined in item 1) C. above would be used for the purposes of verifying the continuation/discontinuation of an ordinary disability pension.
- B. The amount of the monthly ordinary disability shall be equal to one-twelfth of the yearly amount of pension benefit to which the officer would be entitled to on such disability date if such disability date were his normal retirement date.

Section 4. LIGHT DUTY

- A. Temporary light duty assignments will be granted to employees in the department who because of injury, illness or disability are temporarily unable to perform their regular duty assignments, but who are capable of performing alternative duty assignments.
- B. Light duty assignments are granted at the discretion of the Chief of Police, and should not be considered an employee's benefit or right. Eligible employees may be assigned to work in a light duty capacity when it meets the needs of the department. In the event that a light duty assignment causes undue hardship as a result of the reassignment from normally assigned shifts, the impacted officer is to notify the Chief to consider whether an alternative option is available.
- C. Employees who qualify for light duty assignments must be under the care of a licensed physician and be capable of performing light duty without undue risk of substantial harm to themselves or others.
- D. No existing job position within the department will be used exclusively for employees on light duty.
- E. Light duty assignments may be changed or modified at any time upon the approval of the recommending physician, at the discretion of the Chief of Police.
- F. Assignment to light duty shall not affect an employee's pay, opportunity for promotion or other employee benefits. Overtime shifts will be assigned if attending physician specifically approves it.
- G. Employees on light duty are prohibited from working for compensation elsewhere,

without prior written approval of the Chief of Police. Other job opportunities cannot be unreasonably withheld or denied by the Chief if the job does not conflict with Light Duty status and conforms to the department's policy on off-duty employment.

- H. Light duty assignments will be for a limited duration, normally not to exceed a six-week period.

Section 3. SALARY STEPS

A police officer may be required to progress through seven (7) stages in salary levels, each of which shall not be more than one (1) year in duration, before such police officer shall have reached the maximum salary for rank of patrol officer, but subject to such recommendations as may be made by the Chief as a prerequisite for advancement from Probationary to Step 1. Section 4. OUT OF RANK PAY

Police officers ordered to assume responsibilities of a higher rank shall be compensated for such service at the same pay scale as the rank assumed. This provision shall also apply to a police officer assigned to the Detective Division provided the assignment exceeds one (1) month.

Section 1. DETAIL ASSIGNMENTS

The Chief or his designee on a rotating basis as presently in effect shall assign all details. The Chief based upon public safety needs shall determine the required number of detail officers and supervisors.

Section 2. DETAIL PAY

Bargaining unit officers, working private details, shall be paid at the rate of one and one-half (1 ½) times the top Patrol Step regular rate of pay, rounded to the nearest dollar, with a four (4) hour minimum. Private details on Thanksgiving Day, Christmas Eve, Christmas Day, New Year's Eve and New Year's Day shall be compensated at double the regular rate for details.

All private detail hours worked shall be documented, processed and paid to the officer through the Town's bi-weekly payroll system, based on the hourly rates detailed above. Private detail pay is not included in an officer's pensionable pay.

The Town will bill each private company for the amount paid to the officer for each detail, plus a reasonable administrative fee as set by Town ordinance. Recommendations for administrative fees in excess of 10% of the standard hourly rate will be set only after consultation with the bargaining unit.

Active police officers of the Town shall receive the following health insurance coverage, with co-payment required by those detailed in Article XV Section 1:

If an employee leaves service with the Town, for any reason, the employee shall be responsible for repaying the Town's advance in full, which the Town may deduct from such employee's final paycheck.

The Town shall provide two individual health and dental insurance plans to employee and spouse in lieu of one family plan, when there are no dependents eligible for coverage, or employee and dependents when there is no spouse eligible, once the Town health plan has been amended to accommodate these tiered choices. If dependents and/or spouse need to be added, the employee may transfer back to a Family plan at that time.

- 2) A dental plan encompassing the following riders:

The Town may seek alternative equivalent health insurance coverage. In such case, the Town will consult with the FOP, whose permission to allow the Town to obtain such alternate coverage will not be unreasonably withheld. The FOP agrees to consider proposals for alternate equivalent plans during the term of this contract and to discuss implementing such plans with the Town.

Section 2. HEALTH INSURANCE WAIVER

Upon coverage under a spouse's plan or military plan, the police officer shall be paid a sum equal to fifty percent (50%) of the difference between the Town's cost for family health coverage and the Town's cost for individual health coverage.

If individual health coverage is available to a police officer through a parent's plan or military plan, the police officer may elect to be covered under that plan. Upon coverage under a parent's plan or military plan, the police officer shall be paid a sum equal to twenty-five-percent (25%) of

The above medical insurance terminates when retired police officer is deceased.

Dental insurance must be purchased on a monthly basis, as a group, at retiree's expense at the same premium cost charged to the Town. Monthly premium payments owed will be collected by the Town using the automated clearing house (ACH) system, deducting the premium automatically from the retiree's checking/savings account, on the fifteenth of the month. Failure to receive premiums as scheduled will be cause to drop the individual from the above program. The premium cost is subject to any increase or decrease in the premium with notice from the current or equivalent carrier. The Town may seek alternate health insurance coverage, which will provide retired police officers the same level of coverage as set forth herein.

Section 4. HEALTH INSURANCE PLAN

Section 2. GRIEVANCE PROCEDURE

Alleged grievances of police officers with respect to wages, rates of pay, working conditions or other terms or conditions of employment set forth in this Agreement, and which arise under this Agreement or in connection with the interpretation thereof, shall be handled in accordance with the following procedure:

- A. A police officer having a grievance shall, in writing, bring the grievance to the attention of the FOP Grievance Committee. If, in the judgment of the Grievance Committee the nature

of the grievance justifies further action, it shall file a grievance in writing with the Chief through the FOP President.

- B. The Chief shall meet with the FOP President or his designee and the grievant within five (5) business days of receipt of the grievance.
- C. Within ten (10) business days, unless otherwise agreed, of the meeting with the Chief and FOP, the Chief shall render a decision, in writing, a copy of same to be delivered to the FOP President or his designee.
- D. If the decision of the Chief is not acceptable to the FOP, then within five (5) business days the FOP may request that the Town Administrator review the grievance for the purpose of reconciling said grievance.
- E. Unless otherwise agreed, within ten (10) business days of the written request to the Town Administrator, the Town Administrator shall meet with the Chief, aggrieved officer and the FOP President or his designee, as well as any other individuals involved in the grievance. The Town Administrator shall preside over the meeting and hear the facts of the grievance.

Within ten (10) business days of the meeting with the Town Administrator, he shall make a complete report of his findings and render a decision with respect to said grievance.

- F. If the decision of the Town Administrator is unacceptable to the FOP, then within thirty (30) business days, the FOP may request the assignment of an arbitrator by the American Arbitration Association. The decision handed down shall be binding in nature. Costs and expenses of the arbitration, (including arbitrator's fees), shall be shared equally by the parties.

ARTICLE XXII. PENSION PLAN

Section 1. PENSION PLAN ELIGIBILITY

The Town shall retain the retirement income benefits heretofore in effect relating to police officers eligible for and enrolled in the Town Private Pension Plan Administered by John Hancock, which provides for eligibility for retirement after the completion of twenty (20) years of continuous service with no age limitations. Police officers may elect to continue employment until the age of seventy (70) pursuant to Section 7-60 of the Middletown Code. (37.104)

Section 2. PENSION PLAN COST

The cost of the Town retirement income plan, administered by John Hancock, shall be funded by contributions of seven percent (7%) of the gross annual earnings of each police officer in the plan, and such contributions shall be taken on a pretax basis (subject to agreement with the other participating bargaining units), and the remaining cost shall be funded with contributions from the Town.

Section 3. PENSION BENEFITS

Pension benefits shall accrue and be paid based upon the terms and conditions set forth for Middletown police officers in Group Annuity Contract 795 as amended, between the Town of Middletown and John Hancock Mutual Life Insurance Company. Annual retirement income shall be equal to the product of two and one-half percent (2 ½%) hereinafter "Retirement Percent", of the highest average salary received in three (3) consecutive years of total service, plus up to sixty (60) days annual leave, and up to twenty-five (25) days of sick leave for those who have accrued this time (per option in Article IX Section 4), and the number of years and completed months of continuous service. A maximum benefit of seventy per cent (70.0%) of the average of the officer's three (3) highest consecutive years of continuous service shall become effective for all police officers hired on or after July 1, 1986. For retirees retiring with at least twenty (20) years of service after July 1, 1992, the Retirement Percent shall be two and three-quarters (2.75%) and for retirees retiring with at least twenty (20) years of service retiring after July 1, 2003, the Retirement Percent shall be three (3.0%) per year.

Section 4. PENSION ADMINISTRATION

Parties agree that the Town may employ or retain any administrator, John Hancock or otherwise for purposes of investing, assisting the Town in determining and altering investment strategies from time to time and otherwise administering the plan and its funds, provided however that benefits owed present and future retirees shall not be affected by any change in administrator, investments or investment strategies, as the parties intend this to be a defined benefit plan.

Section 5. LOCAL PENSION PLAN

The Town of Middletown shall continue the terms of its Local Pension Plan set forth in Group Annuity Contract 795, as amended, between the Town of Middletown and John Hancock Mutual Life Insurance Company ("Local Pension Plan"). For those police officers enrolled in the Local Pension Plan as of the date of ratification of this Agreement, the pension benefits shall accrue and be paid to such eligible police officers based on the applicable terms and conditions set forth in the Local Pension Plan.

Section 6. MERS PENSION PLAN

Police officers sworn in as full-time police officers on or after January 1, 2000, shall, in lieu of enrollment in the Local Pension Plan, be enrolled in the Optional Retirement for Members of Police Force and Fire Fighters, Rhode Island Municipal Employees Retirement System, R.I. Gen. Laws §45-21.2, as amended, ("MERS Pension Plan"). Membership eligibility and contribution requirements shall be set forth in the MERS Pension Plan, as amended.

Police officers retiring under the MERS Pension Plan shall receive a cost of living adjustment in accordance with R.I. Gen. Laws §45-21-52, as amended.

ARTICLE XXIII. STAFFING

Section 1. STAFFING

The Town and the FOP agree that it is in the best interest of the Town, the community, and the members of the FOP and Police Department that the organization chart for the Middletown Police Department should contain not less than thirty-eight (38) officers, including 11 rank positions that include at least 4 sergeants and 4 lieutenants; and the union also agrees to meet and discuss any further changes that the Town would like to make to the organization of the department.

Provided however, the aforementioned staffing figures shall not be deemed to be mandatory minimums and may be reduced by the Town through attrition (or through Layoffs, as provided below) at the Town's sole discretion. In any event, the Town shall meet and confer with the FOP prior to undertaking any reduction in staffing, to discuss the effects of such reduction.

Section 2. LAYOFFS

In the event that there are more than thirty-eight (38) full-time police officers employed by the Town and it becomes necessary for the Town to lay off police officers down to thirty-eight (38) officers, then those police officers with the least amount of department seniority shall be laid off first (See Article V on department seniority.) An officer's prior service in another Town department is not part of department seniority for the purposes of this Section. The last laid off police officer shall be the first to be rehired, provided that the police officer to be rehired has not been on layoff for a period greater than twelve (12) months.

Provided however, in the event that the Town experiences a fiscal crisis or fiscal emergency, including but limited to: a significant reduction in annual State of Rhode Island Direct Aid or Pass-Through Aid payments to the Town, a significant reduction in the Town's unassigned Fund Balance for its General Fund, a significant reduction in the Town's assets or revenues, an increase in the Town's liabilities or expenditures, and/or changes in population, then the Town shall have the right to lay off police officers to a figure below thirty-eight (38) officers. In such instance, the lay-off procedure shall be in accordance with the seniority provisions set forth in the Section on Seniority. Provided however, the Town shall meet and confer with the FOP prior to undertaking any such lay-offs, to discuss the effects of such reduction.

Section 3. MINIMUM STAFFING

There shall be a minimum of three (3) police officers on road duty with one (1) uniformed bargaining unit supervisor on duty at all times, with the following exceptions:

	Months	Hours	Exception
1.	January 1 st thru December 31 st	2300 thru 0800	Required number of minimum patrol officers assigned to road duty shall be reduced by one (1)
2.	January 1 st thru December 31 st	1100 thru 1500	Required number of minimum patrol officers assigned to road duty shall be reduced by one (1)

If any patrol officer or supervisor is required to be in the station to conduct business, this will not require callback of a patrol officer or another supervisor to satisfy minimum staffing requirements.

The Town shall not be liable to pay any officer for time not worked nor to pay any other financial award or penalty under this Section unless an arbitrator first shall rule that the Town acted in bad faith. Failure to attempt to call back officers so as to meet the staffing requirements of this Section is an example of "bad faith" unless justified by extraordinary circumstances.

Section 4. CALLBACK TO MEET MINIMUM STAFFING

Whenever the level of staffing falls below that established above, Town shall call back a sufficient number of police officers to satisfy these minimum-staffing levels.

In calling back police officers under this Section, the Town shall call back those officers holding the same rank as the officers being replaced. (For the purpose of this Section, officers holding the rank of Detective and Patrol Officer shall be considered as holding the rank of Patrol Officer.) Callback shall be conducted in accordance with the terms set forth in Article VIII Section 3.

Section 5. DISPATCH

The Town of Middletown, in consultation with the Union, agrees to meet and discuss the implementation of a Regional Dispatch Service during the duration of this Agreement, if it determines that the regionalization is in the best interest of the community.

ARTICLE XXIV. TERMS OF AGREEMENT

This Agreement sets forth all benefits, covenants, provisions, agreements, conditions and understandings between the parties, and there are no benefits, covenants, promises, agreements, conditions or understandings, either oral, written or by past practice between the parties other than as set forth herein.

Section 2. DURATION OF AGREEMENT
