* Please note that the "fire districts" Bonnet Shores (Narragansett), Buttonwoods (Warwick), Pojac Point (North Kingstown), North Tiverton, Portsmouth Water & Fire, and Stone Bridge (Tiverton) do NOT provide fire services and the towns where they are located in have a municipal fire department that covers the whole town. The above noted "fire districts", however, provide either water, recreational services or road maintenance in the town where they are located.

** Lincoln Fire District was created as a new entity by the merger of the Albion and Saylesville fire districts in Lincoln

*** West Gloucester commercial tax rate was split. Small business rate is shown above and large businesses are taxed at \$1.75/\$1,000 net assessed value, which is not in compliance with their tax classification
