## AGREEMENT

Pursuant to the provisions of Chapter 149 of the Public Laws of the State of Rhode Island, 1961, as amended, entitled, "An Act to Provide for Settlement of Disputes Concerning Wages or Rates of Pay or Other Terms and Conditions of Employment of Employees of Fire Departments," this Agreement is made and entered into this first day of July 2022, A.D., by and between the TOWN OF BARRINGTON and LOCAL 1774, INTERNATIONAL ASSOCIATION OF FIRE FIGHTERS, AFL-CIO.

### ARTICLE I

#### Section 1. RECOGNITION

The Town of Barrington, Rhode Island hereby recognizes Local 1774, International Association of Fire Fighters, AFL-CIO, as the exclusive bargaining agent for all uniformed employees of the Barrington Fire Department excepting only the Chief of the Department for the purposes of collective bargaining relative to wages, salaries, hours and all other working terms and conditions of employment.

The rights of the Town of Barrington and employees of the Barrington Fire Department shall be respected and the provisions of this Agreement shall be observed for the orderly settlement of all questions arising out of this Agreement.

#### Section 2. UNION SECURITY

The Town of Barrington agrees not to discharge or discriminate in any way against employees covered by this agreement for union activities or membership.

Upon completion of a probationary period of twelve (12) months from the date of hire, during which time they may be removed at any time, with or without cause, all employees covered by this agreement shall have the option to join the Union as a member of Local 1774, International Association of Fire Fighters, AFL-CIO. This election to join the Union shall be submitted by the employee in writing on a Union membership card provided by the Union and formally submitted to the Union and the Town.

During employment, should an employee choose to change membership status, this election shall be formally submitted in writing, by the employee, to the Union and the Town. Any change in membership status shall take effect upon receipt of written notice to the Union and the Town.

The provisions of R.I.G.L. 28-9.1-18 shall apply to any employee who has elected not to join the union.

### Section 3. DUES

The Town of Barrington agrees to deduct Union dues and/or assessments upon receipt of the Union membership card signed by the employee expressing affirmative consent they have joined the Union and authorize Union dues and/or assessments to be withheld from their pay. Union dues and/or assessments shall be withheld from the pay of Union members in equal amounts from each pay period, either bi-weekly, or otherwise, as the frequency of the pay period may require. Such withholdings for Union dues and/or assessments are to be transmitted to the duly elected Treasurer of the Union for the previous month's earnings, not later than the 15th day of each successive month.

The Town shall stop withholding union dues and/or assessments immediately upon receiving written notice from the employee and the Union indicating the employee's withdrawal from the Union.

The President or Treasurer of the Union shall send written notice to the Town indicating the monetary amount of said Union dues and/or assessments that are to be deducted from all Union members.

The Union agrees to indemnify and hold harmless the Town from any lawsuits, damages, judgements, results, and/or effects occurring pursuant to any deductions made regarding any membership dues and/or assessments made by the Town at the request of the Union and the employee.

### Section 4. SEVERABILITY CLAUSE

In the event any provision or part of this agreement is found to be invalid or unenforceable by statute or law, only that particular provision or part so found, and not the entire agreement, will be inoperative.

### Section 5. TIME OFF WHILE PERFORMING UNION DUTIES

Members of the Barrington Fire Department covered by this Agreement who are officers of Local 1774 (not to exceed 5) may be allowed reasonable time off for official union business with the Town of Barrington for the purpose of attendance at collective bargaining sessions and/or other official union business with the Town, without loss of pay and without the requirement to make up such time. Members of the Barrington Fire Department who are officers of Local 1774 (not to exceed 2) may be allowed reasonable time off to attend meetings of the State Fire Fighters Association and State and National conventions of the Fire Fighters Association and for the purpose of attending seminars (not to exceed 2 per year) relating to fire fighting services and activities, without loss of pay and without the requirement to make up such time.

Those employees who are on duty and in attendance at any meeting with Town officials pertaining to union business, except when the same relates to collective bargaining sessions, shall be subject to response to duty in the event a need arises for their performance of their normal fire fighting services.

## ARTICLE II

### Section 1. MANAGEMENT RIGHTS

Except where such rights, powers and authority are specifically relinquished, abridged or limited by the provisions of this Agreement, the Town has and will continue to retain, whether exercised or not, all the rights, powers and authority pertaining to the responsibility and prerogative of management of the affairs of the Barrington Fire Department and the direction of the working forces, heretofore had by it.

### Section 2.

The above rights, responsibilities and prerogatives are inherent in the Town Council and the Town Manager by virtue of statutory and charter provisions and are not subject to delegation in whole or in part. Such rights may not be subject to review or determination in any grievance or arbitration proceeding, but the manner of exercise of such rights may be subject to the grievance procedure described in this Agreement.

## ARTICLE III

### Section 1. SENIORITY

Employees covered by this Agreement shall have seniority rights in grade and said seniority shall prevail with regard to the following:

- A. Transfers to any division, department, or position by whatever names the transfer may be labeled, except those that are filled by promotional or eligibility lists as established by the Personnel Director according to the Personnel Ordinance and Town Charter, except as otherwise provided in this Agreement. Also, probationary employees shall not be included.
- B. Days off, holidays, and vacations, provided however, that an employee may reject the position or benefit at his discretion without the need of any explanation on his part. Further, in the event that employee shall reject a position or benefit, it shall not be construed as a waiver of his seniority rights in any subsequent situation where seniority would prevail.
- C. The seniority of Privates shall be determined by the length of time said Private has been on the Payroll of the Barrington Fire Department as a member thereof. In the event more than one Private went on the payroll of the Barrington Fire Department on the same day, class ranking and probationary evaluations shall determine seniority. In the event there is no formal class held seniority will be determined by lot.

The seniority of officers shall be determined by length of time in grade. When more than one Officer was or is appointed to the same rank on the same day, seniority shall be determined by seniority on the Barrington Fire Department.

- D. A bid system under which employees may bid for transfers to stations, platoons, or apparatus shall be established. The successful bidder for any job shall be entitled to a reasonable trial period of not more than sixty (60) calendar days to determine whether he can acquire the skills necessary for the performance of said job in a reasonably satisfactory manner: provided, however, that in such cases where the Town and the Local so mutually agree, such trial period shall not be mandatory. At the end of sixty (60) calendar days from the date of trial transfer, the employee shall be considered as being transferred in accordance with the provisions of this Section, except in cases where the Town and Local may mutually agree to extend such trial period. If, during the trial period, the Town removes the employee from such position for alleged lack of reasonable progress in said position, the employee shall have the right to file a grievance in accordance with the provisions of this Agreement. The term "reasonable progress" as used herein shall mean a comparison of the progress of the employee involved with the performance on said job of the average employee performing such work. Any disputes over the reasonableness of the trial period and/or the progress of the employee on the job shall be subject to the grievance procedure as previously mentioned. (Arbitrator Robert M. O'Brien)
- E. It is understood by the parties hereto that during the trial period, a bi-weekly progress report will be made by the employee's supervisor, a copy of which shall be furnished to the employee and the Fire Chief. The form of said progress report shall be substantially the same as is now being used by the Barrington Fire Department.
- F. A permanent and up-to-date seniority list shall be posted and maintained on the bulletin board at Fire Headquarters for the benefit of all employees and all future seniority questions shall be resolved in accordance therewith.
- G. The Town also agrees to furnish to the Local and maintain an up-to-date seniority list, a copy of which is posted on said bulletin board.
- H. If one person or more is on long term sick leave or long term injured-on-duty leave on any one of the four (4) platoons, the Chief of the Department shall have the right to open any one of those positions as a temporary bid in accordance with the seniority clause of this Agreement. When the employee or employees who were out return to work or the Chief of the Department terminates the temporary position, then the employee or employees who bid the position(s) shall return to his normal position. Long term sick leave or long term injured-on-duty leave shall mean any employee who has been out of work for at least three (3) continuous months or the prognosis is that an employee will be out for three (3) months or longer.
- I. If no employee bids a position, either permanent or temporary as described above, the Fire Chief shall assign the junior qualified employee to the position.
- J. Temporary transfers from one position to another position, within a platoon, shall be done by seniority, with seniority determining choice of position. Rescue personnel so transferred must be a Rhode Island Dept. of Health certified EMT-C. Rescue 1 shall have a Lieutenant

or Acting Lieutenant assigned and except for training purposes the Lieutenant will be the care provider for the patient.

- K. Platoon Officers shall have the right to rotate employees assigned to a particular piece of apparatus to the various positions available on said piece of apparatus.
- L. In addition to the aforementioned vacancy bid, an annual bid shall be held during the first week of December of each year for voluntary bidding. Any employee may voluntarily open his position to bid, and such bid shall be held in accordance with the provisions of this section. Transfers as a result of said annual bid shall be accomplished in the month of January following said bid.
- M. The assignment of probationary fire fighters shall be left to the Chief's discretion until such time as they become permanent fire fighters.
- N. A platoon officer, for training purposes, may transfer a probationary firefighter from one position to another position within a platoon. Such transfers shall not be permanent.
- O. No more than one (1) probationary employee shall be on the same platoon at the same time. If more than one (1) probationary employee is scheduled on the same platoon and no non-probationary employee from another platoon volunteers to transfer, the junior most non-probationary employee on a platoon without a probationary employee will be transferred for up to six (6) months. This will not be a permanent transfer.

#### ARTICLE IV

##### Section 1. VACANCIES - PRIVATES' RANKS

All vacancies, except those to be left vacant as part of a reduction in staff by attrition shall be filled within ninety (90) days of the date of the vacancy. (February 1993, negotiated settlement)

##### Section 2. VACANCIES - OFFICERS' RANKS

As far as possible, the Barrington Fire Department shall continue to anticipate and plan for filling vacancies in the Officers' ranks, and shall fill such vacancies as provided in the Town of Barrington Fire Department Rules & Regulations.

##### Section 3. TEMPORARY SERVICE OUT OF RANKS

Whenever there is a temporary vacancy in an officer's rank due to illness, vacation, injured on duty status, or other cause and the vacancy is not filled by an officer of the same rank, the employee who shall fill in the position shall be compensated as follows:

A lieutenant who is filling in a captain position shall be compensated at the rate paid a lieutenant.

A firefighter who is filling in a lieutenant position shall be compensated at the rate paid a lieutenant.

A firefighter must have completed 4 years on the Barrington Fire Department in order to be an acting lieutenant. Said 4 years shall include their probationary period.

Such pay shall apply for all time spent at such higher rank provided that the time spent at such higher rank is for one (1) full working day or longer. In no event shall there be pay for less than one (1) full day. In the case of a fire fighter who assumes command in any rank above that of lieutenant, he shall be compensated at the rate paid a lieutenant.

Any employee serving out of rank on a holiday shall be entitled to the holiday pay applicable to the rank he is serving in.

## ARTICLE V

### Section 1. DUTIES

The principal duties of the members of the Barrington Fire Department shall consist of the prevention, control and extinguishment of fires, and rescue services, together with the necessary auxiliary, administrative and service functions conducted by the Barrington Fire Department, and such other duties as are or may be reasonably related to fire protection activities and prescribed by the Town Manager or Chief of the Fire Department, in accordance with resolutions or ordinances of the Town Council of the Town of Barrington. (October 26, 1992, Barrington Fire Arbitration Award of Everett A. Petronio)

### Section 2. DETAILS TO OTHER DEPARTMENTS PROHIBITED

The Town of Barrington agrees that members of the Barrington Fire Department, whose duties are as defined in Section 1 above, shall not be detailed to other departments of the Town of Barrington.

### Section 3. WORKING CONDITIONS

Members of the Barrington Fire Department covered by this Agreement, while on station duty, shall not perform major structural alterations or major repairs to existing or future fire stations.

All training (both inside and outside) shall be conducted only between the hours of 8 o'clock A.M. to 9:30 o'clock P.M. and with the exception of a maximum of two (2) Sundays per platoon per calendar year with multi-agency participation, there shall be no training on Sundays or holidays as set forth in this agreement or when the temperature is in excess of 85° Fahrenheit, as measured at the training site. This section is in no way intended to prohibit indoor training in an air-conditioned classroom. Multi-agency participation is a company or agency from outside the Barrington Fire Department. In any case where an employee is called back for mutual aid and ordered to a site outside the Town, the Town shall furnish transportation for such employee from a Fire Station to the site.

Section 4. RULES AND REGULATIONS

No Rule or Regulation adopted either prior or subsequent to this Agreement, and which conflicts with any provisions hereof, shall have any force or effect, the provisions of this Agreement being controlling.

Section 5. CONTRACTING OUT

Work presently performed by employees in the bargaining unit shall not be assigned to any non-governmental independent contractor during the term of this Agreement.

Section 6. CONSOLIDATION

The Police and Fire Departments shall not be consolidated during the term of this Agreement.

Section 7. - EMTC TRAINING

When the Town requires an employee of the Barrington Fire Department to enroll in a program resulting in his/her initial EMTC certification, the Town will pay in full for the tuition. The Town will also pay for mutual coverage for those hours actually spent in class only and not the full tour of duty and only in those cases where the absence of the employee would reduce the on-duty platoon below the six (6) personnel minimum. The Town will also pay for re-certification of EMTC licenses as they are required. (February 1993, negotiated settlement)

All members of the department shall become and remain EMTC certified. The Fire Chief may determine extenuating circumstances that will allow for individuals not to remain EMTC certified. Remedial training will be provided, if necessary, to any individual requiring assistance during a Fire Department sponsored recertification course to assure completion of required materials.

ARTICLE VI

Section 1. HOURS

The regular work schedule for employees of the firefighting, rescue, and EMS units shall be an average work week of forty-two (42) hours (52 weeks per year), which shall be worked by a four (4) platoon system, whereby each platoon shall work one (1) 24 hour shift from 0800hrs-0800hrs, followed by 48 consecutive hours off duty, and then work one (1) 24 hour shift from 0800hrs-0800hrs followed by 96 consecutive hours off duty, after which the cycle repeats itself.

For the purpose of vacation time, sick leave, AFM (attending to a family member) leave, or any other applicable leave, and the hiring of overtime to meet minimum manning, the 24 hour shift shall be divided into one (1) 10 hour day shift and one (1) 14 hour night shift.

The regular work week for other divisions of the Barrington Fire Department shall be and remain at forty (40) hours per week.

## Section 2. SUBSTITUTIONS

Officers and members shall be permitted to make mutual exchanges of full or partial tours of duty providing:

- A. A member wishing a transfer for a full tour of duty must request the same in writing to his platoon supervisor at least forty-eight (48) hours prior to the tour(s) in question (A full tour of duty shall be defined as one (1) full ten (10) hour day or one (1) full fourteen (14) hour night.)
- B. Transfers of less than a full tour of duty must be approved by the platoon supervisor.
- C. Officers shall follow the same procedures as in (a) and (b) above except notice shall be given to the Chief.
- D. Substitutions must be made between employees having comparable skills, training and certifications, for the position being filled.
- E. All transfers shall be properly recorded as prescribed by the Fire Chief.

## Section 3. CALL BACK PAY

Members of the Barrington Fire Department who are called back for emergencies or duty shall be compensated for at least three (3) hours at the overtime rate of pay hereinafter set forth, and at the overtime rate of pay for all time worked in excess of three (3) hours.

## Section 4. OVERTIME PAY

Members of the Barrington Fire Department who are required to work fifteen (15) minutes or more beyond or outside of their regular shift shall be paid at the overtime rate applied to the advanced one-quarter (1/4) hour as set forth in Section 5 of this ARTICLE VI for all hours worked.

## Section 5. OVERTIME RATE OF PAY

The hourly rate of overtime pay shall be equal to one and one-half (1-1/2) times the employee's regular hourly rate. Irrespective of the number of pay periods in a given fiscal year the overtime rate will be calculated by dividing the approved annual salary by fifty two (52) weeks and then by the average weekly forty two (42) hour work week times one and one half (1 1/2).

Overtime pay for training received during EMTC recertification shall be at straight time and not one and one-half (1 1/2) times the employee's regular hourly rate.

Overtime for Fair Standards Labor Act considerations shall be calculated after ninety-six (96) hours in a single pay period.

Section 6. STANDBY

Standby shall not be required by the Town of Barrington. The parties hereto recognize that the reserve force needs of the Town, however, will continue to exist and that it is the duty of every off-duty fireman to respond to the group alerting call where he has received notice of such call. Failure of a fireman to respond when notified shall be sufficient cause for a fine of up to two (2) days' salary. The Town shall make reasonable effort to equip all employees of the Barrington Fire Department with a Town owned and maintained monitoring radio as soon as practicable.

ARTICLE VII

Section 1. FIRE WATCH DETAILS

In any case where an employee covered by this Agreement is assigned to a detail of a non-civic nature, where the duties of any off-duty fireman shall be required, the detail shall be paid for by the individual or corporation or organization for who said employee is working. Employees shall be compensated before or at the end of the detail period. Employees so detailed or engaged shall be compensated for a minimum of four (4) hours at the rate of time and one half the hourly rate of a top fire fighter. An employee in charge of a detail of four (4) or more men shall receive a minimum of four (4) hours' pay at the rate of time and one half of the hourly rate of the next highest rank. Members for said non-civic details shall be selected in the same manner as presently used for overtime call-back with a separate list being established.

ARTICLE VIII

Section 1. PAID HOLIDAYS

Employees of the Barrington Fire Department covered by this Agreement shall be granted uniformly an additional one (1) day's pay for each of the following holidays:

New Year's Day	Victory Day
Martin Luther King Day	Labor Day
Presidents Day	Columbus Day
911 Remembrance Day	Veteran's Day
Memorial Day	Thanksgiving Day
Fourth of July	Friday after Thanksgiving
Christmas Day	

- and any other day which is not a regular holiday for other Town employees, but which is specifically declared to be a holiday for other Town employees by the Town Council. Holiday pay shall be computed at one-fifth (1/5th) of the employee's regular weekly salary and shall be included in base salary calculations for pension purposes.

ARTICLE IX

Section 1. SALARIES

A. Salaries for members of the Barrington Fire Department covered by this Agreement shall be as follows:

Commencing July 1, 2022

Employees of the Barrington Fire Department shall be entitled to a 2.5% salary increase for the contract year July 1, 2022 to June 30, 2023 and subject to the following schedule.

	<u>Annual Salary</u>	<u>Weekly Salary</u>
Captain	\$82,575.05	\$1587.98
Lieutenant	\$74,492.97	\$1,432.56
Firefighters:		
Step 1 upon appointment	\$47,373.46	\$911.03
Step 2 additional 12 mos. Service	\$54,241.70	\$1,043.11
Step 3 Additional 6 mos. Service	\$57,871.78	\$1,112.92
Step 4 Additional 6 mos. Service	\$65,971.78	\$1,268.69

Commencing July 1, 2023

Employees of the Barrington Fire Department shall be entitled to a 2.5% salary increase for the contract year July 1, 2023 to June 30, 2024, and subject to the following schedule.

	<u>Annual Salary</u>	<u>Weekly Salary</u>
Captain	\$84,639.42	\$1,627.68
Lieutenant	\$76,355.30	\$1,468.37
Firefighters:		
Step 1 upon appointment	\$48,577.80	\$933.81
Step 2 additional 12 mos. Service	\$55,597.74	\$1,069.19
Step 3 Additional 6 mos. Service	\$59,318.57	\$1,140.74
Step 4 Additional 6 mos. Service	\$67,621.07	\$1,300.41

Commencing July 1, 2024

Employees of the Barrington Fire Department shall be entitled to a 2.5% salary increase for the contract year July 1, 2024 to June 30, 2025, and subject to the following schedule.

	<u>Annual</u> <u>Salary</u>	<u>Weekly</u> <u>Salary</u>
Captain	\$86,755.41	\$1,668.37
Lieutenant	\$78,264.18	\$1,505.08
Firefighters:		
Step 1 upon appointment	\$49,771.75	\$957.15
Step 2 additional 12 mos. Service	\$56,987.68	\$1,095.92
Step 3 Additional 6 mos. Service	\$60,801.53	\$1,169.26
Step 4 Additional 6 mos. Service	\$69,311.60	\$1,332.92

Irrespective of the above schedule, salaries of the above employees covered by this Agreement shall be no more than one pay step less than employees of comparable rank in the Barrington Police Department.

For purposes of this contract, a pay adjustment is owed to covered fire employees when, for the fiscal year in question and after the contracts with both the police and fire unions for that fiscal year have been settled either by negotiation or arbitration, the difference between the base salary paid to a top step Barrington patrolman exceeds the base salary paid to a top step Barrington firefighter by more than 4.3% or when a top step Police Patrol Sergeant exceeds the base salary paid to a top step Fire Lieutenant by more than 4.3%. The resulting percentage difference, i.e., the percent in excess of 4.3%, shall be applied to the base salary of each covered fire position. The rank of Fire Captain shall be precluded from any salary comparison with the Barrington Police Department

For example, if a top step police officer is being paid \$30,982 and concurrently a top step firefighter is being paid \$29,279, the \$1,703 difference is 5.8% greater than the firefighter salary and exceeds the 4.3% step requirement of this provision by 1.5%. In this instance the base salary of each covered fire union position contained in the then existing contract for the fiscal year in question will be increased by 1.5%. This example is intended to include Police Patrol Sergeant and Fire Lieutenant.

It is expressly understood that the reimbursement due shall only be payable to those covered individuals actively employed by the Barrington Fire Department after the fiscal year contracts for both the police and fire unions are arbitrated or negotiated and the amount owed has been determined and agreed upon. (Negotiated Nov. 1995)

The Town shall require employees to direct deposit salary and other compensation to personal accounts at financial institutions of the employee's choice.

B. All EMTC employees who are permanently or temporarily assigned to Rescue 1 as the Rescue 1 driver for a full tour of duty shall receive Five (\$5.00) Dollars for each full day tour of duty and Seven (\$7.00) Dollars each full night tour of duty and shall be included in base salary

calculations for pension purposes. Lieutenants and Acting Lieutenants assigned to Rescue 1 are not eligible for this stipend.

Any member possessing EMTC certification shall receive an annual additional compensation based upon the following schedule during the month of September and effective September 1. The additional compensation shall be included in base salary calculations for pension purposes.

More than 1 year but less than 6 years of service:	\$550
More than 6 years but less than 16 years of service:	\$900
More than 16 years but less than 20 years of service:	\$1150
More than 20 years of service:	\$1400

## Section 2. LONGEVITY

Every regular permanent member of the Barrington Fire Department shall be entitled to longevity payments after he has served as a member of the Barrington Fire Department for a period of five (5) years, including his year of probation. Payments for longevity shall be in accordance with the following schedule and shall be added to the member's annual salary for pension calculations.

Any member entitled to longevity payments shall be paid the same in one (1) lump sum during the month of November in each year. Any member who becomes eligible for longevity by November 1 shall be entitled to longevity payments.

Longevity payment shall be monthly pro-rated during an employee's last year of service beginning with the month of November.

### LONGEVITY SCHEDULE

<u>Length of Service</u>	<u>Payment</u>
Commencement of employment to and including completion of fifth (5 <sup>th</sup> ) year (including probationary year)	0%
Sixth (6 <sup>th</sup> ) year to completion of Tenth (10 <sup>th</sup> ) year	6%
Eleventh (11 <sup>th</sup> ) year to completion of Fifteenth (15 <sup>th</sup> ) year	7%
Sixteenth (16 <sup>th</sup> ) year to retirement	8%

## ARTICLE X

### Section 1. SICK LEAVE

Each employee of the Barrington Fire Department covered by this Agreement shall be entitled to sick leave at the rate of one and one-quarter (1-1/4) working days for each full calendar month of service; provided, however, that such benefit shall not accrue in excess of one hundred twenty (120) working days.

Any newly hired employee of the Barrington Fire Department shall immediately upon his being hired be credited with fifteen (15) days of sick leave; and any employee who has less than five (5) days of sick leave accumulated on any January 1 shall be credited with the difference between his accumulated sick leave and fifteen (15) days. Any employee who accumulates sick leave under the provisions of the immediately preceding sentence shall not accumulate on a monthly basis until he has served such period of time as would have given him the accumulated fifteen (15) days at the normal monthly rate.

For employees who are assigned to work the 24 hour shift schedule, a day of sick leave shall be defined as either a 10 hour day (0800hrs-1800hrs) or a 14 hour night (1800hrs-0800hrs).

Sick leave for employees covered by this Agreement shall be granted for the following defined reasons:

- A. Personal illness or physical incapacity not connected with the employee's service in the Barrington Fire Department, to such an extent as to render said employee unable to perform the duties of his present position or some other position in the Barrington Fire Department if said employee is found capable of other departmental work by a qualified physician.
- B. Attendance upon members of the family within the household of the employee whose illness requires the care of such employees; provided that not more than four (4) working days per contract year, with pay, shall be granted for such purpose.

Personal leave for the following reasons shall be granted but shall not be charged against the said employee's sick leave:
