^The state has been tasked with transitioning these reports to the "Transparency Portal" so that they will be searchable by the public. However, this particular report is considered to be in the "old" format, and as such is only available in pdf and will not have searchable data on the Transparency Portal website, www.municipalfinance.ri.gov. Eventually, reports in this format will be phased out and municipalities/school districts will be reporting in what is considered a "new" searchable format. Additionally, financial information presented in budget to actual reports are as of the close of the particular reporting period and representative of the time of its preparation. Figures are unaudited and not subject to update until the next budget to actual report.
