Total MTPA or Total Municipal Transparency Amount, is the financial activity for all reportable funds and is available for all reporting periods. For schools this reflects all funds of the school department excluding internal services and fiduciary funds, while for municipalities this includes financial statement general fund and some other funds such as special revenue, enterprise, and debt service. Inclusion and/or exclusion of funds is based on Municipal Transparency Portal Implementation Guidance. In general, excluded funds from municipal reporting are fiduciary, capital project, internal services, water, sewer, and storm water. Some funds may be added or removed from one year to the next.

**The amounts reported in the columns with the headings marked Audited Actual (A,B) are derived from annual audit reports from one year to the next.

***Fund balance classifications (rows 32 and 33) may include net position if Enterprise Fund activity is reported prior to FY19.

A This Transparency Report is required under RI General Law 45-12-22.2 (b) to be signed and posted to the Municipality's website. Any missing data from any of the columns is due to this information not being currently available, the Municipality/School District failing to report in a prior period, or the information is not applicable.

**The data found in this report has been summarized for the purposes of display. The raw data which includes department level information along with visualization tools, definitions, as well as a listing of definition and coding changes between years can be found by going to <http://www.municipalfinance.ri.gov/> and clicking on Municipal Transparency Portal tab. The Audited Actual information is derived from the MTP-2 report that can be found in the Municipality/Regional School District's corresponding fiscal year audit report under supplementary information. The details on which funds are included in Total MTPA are provided in the Annual Supplemental Transparency Report (MTP2) and Combining Schedules of Reportable Government Services with Reconciliation to MTP2, which can be found in the annual audit reports.
