STATE OF RHODE ISLAND AND PROVIDENCE PLANTATIONS

August 2013

Dear Municipal Official:

I am pleased to inform you that the **2013 Edition of Municipal Legislation Enacted** prepared by the Division of Municipal Finance of the Department of Revenue is now available for viewing on the division's website www.muni-info.ri.gov.

I hope you will find this reference helpful. The information presents a great guide to the breadth and scope of the accomplishments that occurred in the recent General Assembly session.

As a fellow General Officer, I know that we sought elected office because we want a brighter, more prosperous future for Rhode Island. I have been particularly interested in and concerned with the issues facing the cities and towns especially during these challenging economic times. I will continue to make our communities a priority.

I look forward to continuing to work with you to ensure that Rhode Island's cities and towns stay on the right path.

Sincerely,

A handwritten signature in black ink, appearing to read "L. D. Chafee". The signature is fluid and cursive, with a large initial "L" and "D" and a stylized "Chafee".
